New Direction

As President of New Direction, the foundation for European Reform, I am hugely proud of the work that we have achieved over the last year.

2021 was a challenging year for many, and yet despite this we managed to continue our hard work in leading the debate on European reform. With numerous events, reports, and the release of new online content, we are shaping the discussion both inside and outside of the European Union.

At the same time, we have been working tirelessly to expand our network of centre-right think tanks, foundations, and academic organisations, bringing together groups from across the full spectrum of belief, and from every corner of the world. Equally we are working to support the growth of new and emerging players on the marketplace of ideas – to further spread our shared values of freedom, sovereignty, and respect for traditional values.

I would like to as always pay tribute to the work of New Directions Boards: **Rafaele Fitto** (Italy), **Karol Karski** (Poland), **Valdemar Tomaševski** (Lithuania), **Mazaly Aguilar** (Spain), **Roberts Zile** (Latvia), **Angel Dzhambazki** (Bulgaria), **Ruža Tomašić** (Croatia), and **Antonio Giordano** (Italy).

On behalf of New Direction I thank you for you continued trust, support, and contributions. Our foundation is helping to build the intellectual framework to help build a popular conservative movement in Europe, and we hope that you will join us as we continue to work towards our goals.

Yours truly,

Tomasz POREBA
